Dedication

We, The eight grade class of 1954, dedicate This, our first annual, To The merchants and friends who made it possible.

THE LITTLE OLD FASHIONED SCHOOL

In this wonderful country of ours;
There is a little town called Weymouth.
It isn't quite as big as Mars,
But then, at least, it's ours.

Within the pupils' desks are seen;
Deep marked by pupils' officials,
The sagging floors, the battered seats,
The jackknife's carved initials.

The painted pictures on its walls;
It's doors worn through, betraying
The feet that walked slowly to school,
Went running out to playing.

We love our school the best of all.
It has many beautiful scenes.
Even though it is quite small,
We think its very keen.
